									Maßstab:
									Werkstoff:
									SAMPLE FOR THE PIPING OF A 24 VOLT BATTERY WITH CENTRAL DEGASSING
									Zeichnungs-Nr.
									nicht tolerierte Freimaße nach DIN 16901 mittel

Drawings made available by bfs as to the layout or water pipes for battery filling systems are only examples, which require adaptation for each specific battery grouping. The person responsible for the installation of a battery filling system including the water pipes is also responsible to ensure that all instructions given by the producer of the batteries as well as all relevant instructions by the European Union are followed carefully.
(see for instance EU instruction EN 50272 Para 10.2)
